## Umpire Payment Form

**To all Conveners of V&D events:**

In order to have consistency in the payment of bona fide qualified Umpires, clubs hosting V&D events are to pay the umpires who are assigned to these events out of club funds at the end of each session. Each umpire will then fill in a copy of this form to be signed by the umpire and convener. The convener will then send the form for re-imbursement of the umpire's fees. A session is either a morning, afternoon or evening.

The current rate for an umpire is \$25.00 per session as well as .25 cents per kilometer if distance is over 50 kilometers.

**Please use a separate form for each Umpire**
